Outdoor Library

We are pleased to announce the introduction of our little, free library. It is a small wooden shed just inside the school gates. It is a “take a book, share a book” free book exchange. Anyone may take a book or bring a book to share.

It will contain books for adults and children. If you have any books you would like to donate, please bring them to the school office so that we can stock the shelves and launch the library as soon as possible.

This allows us to share our favourite books with our community and is hopefully something we can all enjoy!

Catholic Children's Society

Thank you to those families that have returned their LENT boxes for the Catholic Children's Society. If you still have your filled donation box at home, please send in with your child as soon as possible.

All donations are very gratefully received.

Uniform reminder

Children should wear black shoe shoes, black trainers are not permitted.

Please be reminded that jewellery should not be worn to school except a pair of plain stud earrings. These should be removed on PE days for safety.
